

Erin Servais

Speaker on AI in Editorial, Content Development & Publishing

AVAILABLE FOR CONFERENCES, SUMMITS & CORPORATE EVENTS

Erin Servais is the founder of the AI for Editors courses, the first AI training program built specifically for editorial professionals. An editor with more than 20 years of experience and a former ACES board member, she speaks to editors, writers, and publishing professionals on how AI is changing editorial work—and how to use it responsibly.

> **35+ talks since 2023** · Invited back by ACES: The Society for Editing (5 sessions), UNC–Chapel Hill (6), and the Center for Information-Development Management (3)

SIGNATURE TALKS

AI for the Modern Editor
Practical AI-integration demonstrations across the editorial workflow.

Your Ideal Audience, On-Demand
How to chat with AI versions of readers and customers.

AI-Powered Self-Editing
AI tools and techniques for editing your own writing.

AI Ethics for Editors
Real answers to the ethical questions AI raises for editorial professionals.

Custom talks are available, built around your audience and event theme.
